Days of School

AND THE 101ST DAY

Kindergarten students and teachers celebrated the 100th day of school by dressing up like they were 100 years young! Students were able to do all different types of activities that centered around the number 100.

First grade students celebrated the 101st day of school by dressing up in polka-dots like dalmatians. They also celebrated by doing several number activities involving the number 101.

It was fun to see the students around the building dressed up to celebrate these special days in school!

Pride Shirts

Please encourage your child to wear their MLR Pride shirt to school on Fridays. These shirts were paid for by PTO, THANK YOU! It's a great way to show school spirit!

State Testing

3rd-5th grade students will begin taking their **Kansas State Assessments** in March. This year's testing theme will be "**Meadowlark's Got Talent**"! We will kick off the testing season with an assembly. Students will also get special snacks provided by PTO for each testing session.

Parent Teacher Conferences

Parent/Teacher conferences were held last week. We strive for 100% attendance. Meadowlark Ridge believes in the cooperation between parents and teachers to meet the needs of all students.

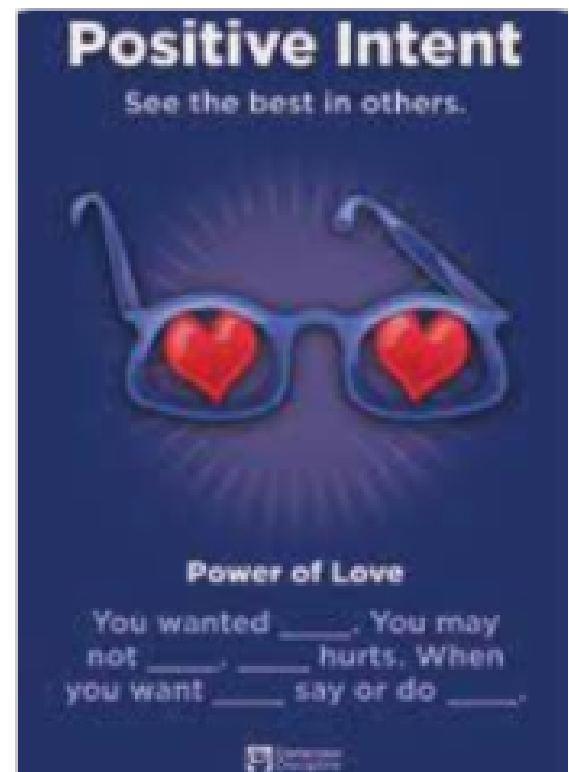

Thank you for taking time out of your day to meet with your child's teacher. Your involvement in your child's education contributes to their progress in school. If you have additional questions throughout the school year, please contact your child's teacher.

Skill of the Month

Positive Intent

See the best in others; children are either extending love or calling for love.

We must be willing to view children's behavior differently if we want them to change it.
